Akron Civic Hackathon 2015

Let's solve tech problems our civic leaders have, together

What: Civic leaders host their technical problems, civic hackers come up with solutions
When: Saturday, June 6th, 2015 - 8am-5pm
Where: OSC Tech Lab, 12 E Exchange St Akron Ohio
Why: To improve our communities and the governments that serve them
Who: Organized by:
     - SYN/HAK (http://www.synhak.org)
     - OSC Tech Lab (http://www.osctechlab.com)

Civic leaders can submit their technical problems and find more information here:
http://www.akroncivichackathon.org/

All attendees (civic leaders, civic hackers) are invited to RSVP here:
http://www.meetup.com/synhak/events/221121577/

Sponsors:
TBA

Notes from organizers:
- 2015 will be Akron's third year hosting a civic hacking event hosted to the public
- Governmental managers, please consider hosting your software or software-hardware based problems for civic hackers to solve. You are invited to submit your problems year round.
- Software or hardware engineers, please consider joining our event to make civic impact
- Akron Civic Hackathon is being hosted part of National Day of Civic Hacking
